

**SUNDIAL
HOUSE**

The Sundial House is your gateway to the Backcountry Wilderness Area. It's also the beacon that calls you home at day's end.

Amphitheatre

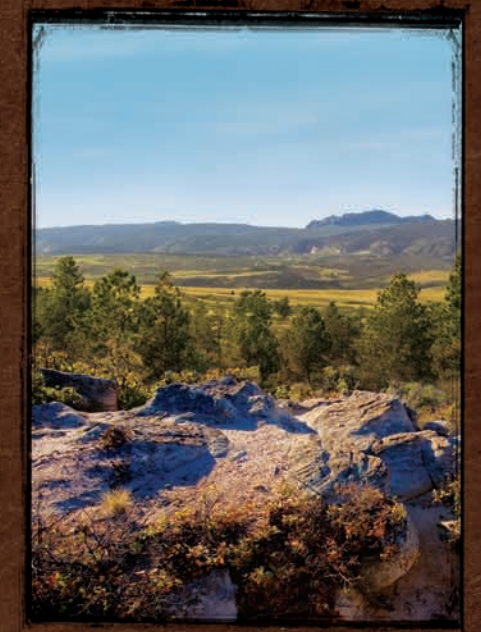

Just steps from the Sundial House, the Amphitheatre's natural stone seating cascades down to a performance stage framed by stunning views of the 8,000-acre Backcountry Wilderness Area.

Outdoor Pool

The BackCountry Outdoor Pool creates a "sense of place" unlike any other within the community and truly captures the "Wild at Heart" essence of BackCountry.

Nestled atop a dominant ridge, the Sundial House offers a panorama of everything from downtown Denver, to Longs Peak, Pikes Peak and the 8,200 acres of Backcountry Wilderness Area.

1 Courtyard
Distinguished by an iconic sundial spire, the Entry Courtyard offers a cozy outdoor fireplace and numerous seating areas.

2 Grand Lobby
An inviting Grand Lobby area welcomes each visitor and sets the stage for an unending variety of experiences.

7 Spa Treatment
Treat yourself or someone special to a sensational body treatment pampering, a soul reviving massage, or any number of image-enhancing experiences at the Sundial House Spa.

9 Movement Studio
Get in the flow with a variety of programmed classes in the Movement Studio, including everything from an energetic aerobics class, to yoga, Pilates, and more.

Main Level

Lower Level

4 Community Room
As one of the central gathering areas, the Community Room was created to accommodate large gatherings like weddings and other celebrations, as well as more intimate conversations among a series of unique seating areas, each with a personality and tone of its own.

5 Pikes Pub and Lounge
Nothing gets a party going better than a beverage at Pikes Pub. Bar and club seating provide ideal areas to relax and watch a game on the big-screen TV or simply unwind and catch up on the days' events with loved ones. The Lounge Area offers another distinctive area for gatherings of all kinds including business meetings, card games, and casual conversations.

6 Demonstration Kitchen and Dining
Whether it's an intimate dinner party with a private chef, a lively cooking class, an in-depth nutrition seminar, or one of the monthly dinner celebrations, this is the place where lasting memories will occur again and again.

8 Fitness Studio
Whether you prefer to work with a private trainer, participate in a group class, or create your own workout, the Fitness Studio is the perfect place for invigorating free weight or cardio exercise with state-of-the-art equipment.

3 Outdoor Living
A dramatic Outdoor Terrace wraps the southern side of the Sundial House providing numerous seating areas and fire pits to enjoy the incredible views.
